

THE
KONA
HILTON

KAILUA • KONA • HAWAII

8:30 A.M.

Dear Jimmy,

I am going to get my hair fixed at
Nine o'clock so will write to you before
I go down.

I walk to town about every day
which is a beautiful walk along the
ocean and it isn't far. I stopped at the
recreation hall yesterday and saw on the
bulletin board that there is a bridge
every Wednesday night so of course
we plan to play.

Friday morning we will fly to Honolulu
which takes only about an hour. The
plane stops at Maui on the way. We
will be staying at the Hilton there which
is in the Hawaiian Village. We will
arrive home Sunday Night. Then I will
have alot to do to get ready for Christmas
altho I have been doing my shopping
here. The Christmas trees that are shipped
over here are the worst I have ever seen.
Christmas seems out of place here. I feel
quite at home at the hotel. Some come &
go and most people are here just a couple
of days or so.

See you soon.

Love,
Mom.
